Mitchell Meloney Executive Secretary of The Bicycle Manufacturers Association and The Bicycle Institute Of America. This was a Schwinn prototype, for production and ahead of its time in '41 as Schwinn was focused on the heavy weights at this time. Has correspondence from Frank Schwinn and other Schwinn employees. This bike was sent back to the Schwinn Factory in 1971 to be upgraded to Mr. Meloney's specs. All correspondance from Schwinn Factory (including letters from Frank Schwinn) included. Upgrades include custom handlebars, Paramount track stem, Schwinn approved Winmann brakes, Campagnolo NR hf hubs, Dunlop steel rims. 27 1 1/8" rims. Has SunTour barcon shifters. Campagnolo triple chain set. Regina five speed freewheel, Campagnolo GT derailleur and NR front shifter. Has Paramount stainless steel fenders. Also has Campagnolo rear drop outs. Frame stretched and aligned to accomodate. Excellent condition. Chrome plated to high standards. This tremendous piece of Schwinn history has never before been offered for sale to the general public. It was a gift to Mr. Meloney from Frank W. Schwinn and then left to his son after many years in crated, dry storage in Arizona. Provenance PDF document Estimate 2,500.00 - 3,500.00
